Offense charged: Supervised Release Violations

Date of Detention Hearing: June 18, 2014.

The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and based upon the factual findings and statement of reasons for detention hereafter set forth, finds that no condition or combination of conditions which defendant can meet will reasonably assure the appearance of defendant as required and the safety of other persons and the community.

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. Defendant's supervised release had been transferred to this District from the

01 Western District of North Carolina in 2013. After he returned to North Carolina pursuant to  
02 the instruction of his probation officer, he is alleged to have returned to Washington State  
03 without permission. There is an outstanding non-extraditable warrant from Wadesboro, North  
04 Carolina for the offense of Communicating Threats. U.S. Probation in this District indicates  
05 that they are unwilling to accept the defendant for supervision due to the nature of the pending  
06 violations.

07 2. Defendant poses a risk of nonappearance and a risk of danger due to the nature  
08 of the alleged violations, use of a controlled substance and outstanding warrant.

09 3. There does not appear to be any condition or combination of conditions that will  
10 reasonably assure the defendant's appearance at future Court hearings while addressing the  
11 danger to other persons or the community.

12 It is therefore ORDERED:

- 13 1. Defendant shall be detained pending hearing and committed to the custody of the  
14 Attorney General for confinement;
- 15 2. Defendant shall be afforded reasonable opportunity for private consultation with  
16 counsel;
- 17 3. On order of the United States or on request of an attorney for the Government, the  
18 person in charge of the corrections facility in which defendant is confined shall deliver  
19 the defendant to a United States Marshal for the purpose of an appearance in connection  
20 with a court proceeding; and
- 21 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel  
22 for the defendant, to the United States Marshal, and to the United State Probation

Services Officer.
